

Appl. No.  
Amdt. dated January 28, 2004  
Reply to Office action mailed

**REMARKS/ARGUMENTS**

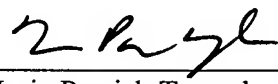

The first paragraph of the specification has been amended to include the reference to the publication of the parent PCT applications in English under PCT Article 21(2):

A U.S. National Stage application based on International Application No. PCT /KR01/02261 was filed on December 8, 2003. A separate U.S. National Stage application based on International Application No. PCT /KR01/02262 was also filed on December 8, 2003. The certified copies of the Korean patent applications to which the present application claims priority were filed in the parent PCT applications. Therefore, it is the understanding of the undersigned that certified copies of the priority documents will be present in these national stage applications and are not required to be filed in the present application (MPEP 1895.01).

Applicant respectfully requests a prompt and favorable examination of the application.

Respectfully submitted,

YANG ET AL
